## DIFFERENTIATORS

*Leadership's experience in intelligence and defense.* A2 Federal is well-versed in the varying government requirements necessary to tackle evolving defense objectives and priority intelligence requirements.

*Dedication to growing our partners.* A2 Federal delivers critical capture information and identifies key points of effort to help our partners secure current and future contract opportunities.

*Competitive rates on premier services.* A2 Federal shifts the focus from cost, to building mutually beneficial relationships on the basis of mission empowerment.

## PAST PERFORMANCE

**Linguist Support Services** – Support the Intelligence Community and DoD with TS/SCI cleared linguists across CONUS and OCONUS. Linguists leverage their foreign language proficiencies and cultural expertise delivering accurate, and timely translations, transcriptions, and interpretations, and other language-related support.

**Analysis and Operations** – Support the U.S. Air Force Air Combat Command with TS/SCI all-source and multi-discipline ISR analysis, alongside cryptologic subject matter expertise, and information technology and systems services.

**Signals Intelligence** – Provide the DoD with SIGINT-enabled intelligence operations and analysis staff support, and linguist capabilities across geographically dispersed locations.

**Information Technology and Systems** – Support the Intelligence Community and DoD with highly technical cleared IT professionals in support of multi-faceted data, network, and system operations.
