COMPANY OVERVIEW

A2 Federal offers 360 degree-trained personnel with expertise in analysis, operations, and mission support. We provide worldwide, premier services to our partners, U.S. military, and U.S. government. We are an 8(a) and Service-Disabled, Veteran-Owned Small Business focused on ensuring commitment and integrity to enable our Customer's mission success!

CORE COMPETENCIES

A2 Federal focuses on three areas that encompass the full scope of intelligence and defense efforts:

ANALYSIS

Top tier all-source and multi-discipline intelligence analysts with extensive experience in varying specialties. Our analysts augment customer production and maximize mission success.

- All-Source Intelligence
- Open-Source Intelligence
- Geospatial Intelligence
- Signals Intelligence
- Human Intelligence
- Measures & Signature Int

OPERATIONS

Expert operations specialists with vast expertise on all defense echelons. Our operations specialists streamline strategic to tactical engagements.

- Targeting
- Collection Management
- Planning
- C4/ISR
- Foreign Disclosure
- Partner Engagements

MISSION SUPPORT

Dedicated mission support professionals with experience in multi-tier support functions. Our mission support professionals are all-encompassing, ensuring continuity maximizing efficiency.

- Linguist Support
- Finance and Budgeting
- Training and Education
- Administrative Services
- Human Resources
- Facility Management

DIFFERENTIATORS

Leadership's experience in intelligence and defense. A2 Federal is well-versed in the varying government requirements necessary to tackle evolving defense objectives and priority intelligence requirements.

Dedication to our partners. A2 Federal delivers critical insight and solutions, as well as identifies key points of effort to help our partners secure contract opportunities and best support Customer requirements.

Competitive rates on premier services. A2 Federal shifts the focus from cost, to building mutually beneficial relationships on the basis of mission empowerment.

PAST PERFORMANCE

Linguist Support Services – Support the Intelligence Community and DoD with TS/SCI cleared linguists across CONUS and OCONUS. Linguists leverage their foreign language proficiencies and cultural expertise delivering accurate and timely translations, transcriptions, and interpretations, and other language-related support.

Analysis and Operations – Support the U.S. Air Force Air Combat Command with all-source and multi-discipline ISR analysis, alongside cryptologic subject matter expertise, and information technology and systems services.

Signals Intelligence – Provide the DoD with SIGINT-enabled intelligence operations, analysis, and linguist staff support across geographically dispersed locations.

Information Technology and Systems – Support the Intelligence Community and DoD with highly technical and cleared IT professionals in support of multi-faceted data, network, and system operations.
