### MISSION SUPPORT

Dedicated mission support professionals with experience in multi-tier support functions. Our mission support professionals are all-encompassing, ensuring mission continuity and efficiency.

- Language Support
- Finance and Budgeting
- Training and Education
- Administrative Services
- Information Technology
- Logistics

## DIFFERENTIATORS

**Leadership's experience in intelligence and defense.** A2 Federal is well-versed in the varying government requirements necessary to tackle evolving defense objectives and priority intelligence requirements.

**Dedication to the mission.** A2 Federal has experience supporting several areas of operations. We deliver high-end solutions and highly trained professionals to match, ensuring mission success across all domains.

**Competitive rates on premier services.** A2 Federal shifts the focus from cost, to building mutually beneficial relationships on the basis of mission empowerment

## PAST PERFORMANCE

**Intelligence Analysis** – A2F supports the IC and DoD with intelligence analysts spanning several regional and functional areas of expertise. A2F provides, all-source, geospatial, and signals intelligence analysts focused on delivering decisive information in support of priority intelligence requirements.

**Operations Support** – A2F supports the DoD across geographically dispersed locations with intelligence planners, exercise planners, and counterintelligence specialists to support mission requirements across air, ground, naval, space, and cyber domains.

**Language Services** – A2F supports the IC and DoD with cleared linguists across CONUS and OCONUS. Our linguists leverage their foreign language skills and regional subject matter expertise to deliver accurate and timely analysis, translations, transcriptions, and interpretations.

**Information Technology/ Cyber** – A2F supports the IC and DoD with cleared IS/IT professionals to include: Systems Administrators, ISSOs, Security Engineers, and Applications Developers to support data, network, and system operations.

## WHO WE SUPPORT
